## Bulgarian Flour and Oil Distribution Update April 2013

“For he satisfieth the longing soul, and filleth the hungry soul with goodness.” *Ps. 107:9*

Dear Fellow Labourers,

With much thankfulness we would like to give you an update on the work:

Last year in 2012 the Lord graciously allowed you to be a part with us in feeding 1,750 poor Milet Turkish church families. Each family received a 110 lb sack of flour and 5 liters of oil. This year we wanted to feed around 2,000 church families *and the Lord has supplied that need.*

Thanks be to God, and the charity of His people, most of these families have now received a sufficient supply of flour and oil for the year. This was a large undertaking, but not too big for the Lord to handle.

The following is a recent testimony from one of our missionaries in Bulgaria - William LeFevre:

*Recently I was able to accompany Bro. Ahmet in the flour distribution. As he's been doing this a number of years now, he had it down to a science. Four of us (myself, Ahmet and two other nationals), followed the flour truck in a separate vehicle as we made our way to the villages. In the village, Ahmet instructed the driver which house to go to, and how many bags of flour would be offloaded. At the house, Ahmet inquired as to the best place to store the bags while we began the offloading. Let me say here, that it was a stroke of genius on the part of whichever missionary ordered the flour in 25 kilogram bags as opposed to the customary 50 kilogram bags; it was twice the work, but less wear and tear on us. It was softly raining on this particular day, so that by the time we finished the day, we looked as though we had collapsed in concrete, rather than having carried flour. Typically, as we worked a crowd would gather, eyes wide, as bag after bag of flour was taken into usually the poorest house in the village. It was a blessing to know that truly, “the LORD had visited his people in giving them bread.”*

We have also included a separate page with some pictures and more testimonies from this year's feeding.

“Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord.” *Cor 15:58*
