Bulgarian Flour and Oil Distribution Update 2014

He that hath a bountiful eye shall be blessed; for he giveth of his bread to the poor. *Prov 22:9*

Dear Fellow Labourers,

This year through your charity we were able to feed more than 2,200 church families. Thanks be to God, for the loving kindness of His people. These families have now received a supply of flour and oil for which they are very thankful. This was a huge undertaking that could not have been done without your prayers and support.

The following testimony came from one of our missionaries in Bulgaria - Zachery LeFevre:

We've just finished the flour distribution to the Bulgarian churches this year. Through your generous giving, we were able to provide each family of believers with over one hundred pounds of flour and over a gallon of oil. Everyone is happy and thankful for this display of your care for them.

This year the mill produced a very good quality of flour. One woman from the church in Trastikovo said that she had not seen such good flour in her whole life. She said that she will be baking bread every single day until it runs out.

In the village of Grozdevo one of the believers said that her family was out of flour. Her husband would be working, but they might only be able to afford to buy a small bag of flour with his pay. Then, our flour truck came the next day and she received one hundred pounds of flour. So, they are rejoicing at how the Lord has provided for them.

Another believer, in Vezenkovo, told us that she was down to the bottom of the barrel. She made her last bread in the evening, and prayed, "Lord, what are we going to do tomorrow"? Well, the next day when the flour truck arrived at the church, she was amazed at how the Lord answered her prayer and provided for them. Zachary LeFevre

We have also included a separate page with some pictures and more testimonies from this year's feeding.

To God be the Glory!

In Christ,
