## Bulgarian update - June, 2015

We want to thank all those who contributed to the flour and oil distribution in Bulgaria. It was a great blessing to everyone involved. This year the US dollar was very strong against the Euro and we were able to feed over 2,000 needy church families. Each family received one hundred pounds of flour and over a gallon of oil. These are saved, baptized church members who attend our church meeting in Bulgaria. They thank God for the brethren in America who gave toward helping them in their time of need. Your generosity has redounded to the glory of God.

In Christ,

Rev. Mike Nixon

Director of Charity Baptist Mission
